## Where we are now:

### OTM Community Portfolio and Parish Profile

- These documents required to “post” the position with the Diocese
- Work started on these in June
- Together, they answer 3 key questions:
  - ✓ Who are we?
  - ✓ Where have we been and where do we want to go?
  - ✓ Who can lead us on the journey?
- The answers come from you, the members of our Parish

## What's needed to go "public" with our Rector Search

  - ✓ Input: Survey, Roundtables, Informal Chatting, Interviews
  - ✓ Starting on parts independent of Survey, Roundtables (i.e., History)
- St. Bart's Story for our Rector Search is:

## **What's this Monkey Doodle business?**

Goal:

- Be productive AND be good stewards of St. Bart's resources (staff, paper, ink, postage)
- Use technology tools like Survey Monkey and Doodle (scheduling tool) to make the work simpler, faster and easier
